Subject: "Invitation to submit an offer for cleaning services by use of ten (10) robotic AC Duct Cleaning Units for the central Heating/Ventilation/Air-conditioning system of the Embassy and Ambassadorial Residence in New Delhi"

The Embassy of Greece in N. Delhi, by virtue of the provisions of Act 4412/2016, as amended and in force, is going to proceed to the cleaning of the central Heating/Ventilation/Air-conditioning system of the Embassy and the Ambassadorial Residence, using ten (10) robotic AC Duct Cleaning Units, with a total budget of 790,600.00 Indian Rupees, an amount which equals in Euros approximately 9,641.00 (plus VAT), thereby inviting interested parties to submit a relevant offer, according to the attached table of technical specifications, for which it requests the faithful observance of the reference.

The offer to be evaluated should include:

- a) The price, including reservations and VAT, as well as the total value of the services provided, which should not exceed its total budget.
- b) The relevant VAT.
- c) The validity period of the offer.

The criterion upon which the final choice shall be made is the most economically advantageous offer based on price.

Offers can be submitted in paper or electronic form at the Embassy's secretariat until November 30th 2022.

Bids from economic entities that were not invited to submit a bid will not be considered.

The Chargé d' Affaires

Alexandros Boudouris
Minister-Counsellor, Deputy Chief of Mission

Att.: p. one (1)
