for motivated *University students*

- ★ *Receive a Certificate & earn up to 6 credit hours*
- ★ *Immerse in an Learning Query across Disciplines*
- ★ *Network with the Best*

Learn how to expand your leadership capabilities in a multicultural environment that values respect and dignity.

Enhance your global agility and build relationships across cultural and national boundaries for a professional and personal network.

Act as a Leader among Leaders in real life environment, since charismatic leadership is an attribution based on others' perceptions and interpretations.

Discover and experience how interdisciplinary interactive learning can develop your critical insights beyond typical concepts.

Enjoy the Greek summer at Chania, one of the most cherished resorts of Europe, and capture the particular cultural dimensions of the birthplace of Europe.

Refine your soft skills, the decisive factor for success in our knowledge based economy and social capital driven era.

A unique combination of lectures, simulations and discussions, with an international interdisciplinary high level Faculty, that unfold the correlation of international development, economic governance and the rule of law in a globalized economy, international relations and geopolitics, conflict management, personal development for leadership, public diplomacy more. Participation at the Chania – Med Forum, practice the knowledge & governance competencies developed during the program.
