DECREE**of the Public Health Authority of the Slovak Republic, which imposes measures in the event of a threat to public health on the quarantine obligations of persons after entering the territory of the Slovak Republic**

The Public Health Authority of the Slovak Republic pursuant to Section 5 para. 4 letter (k) of Act No. 355/2007 Coll. on the protection, support and development of public health and on the amendment of certain laws as amended (hereinafter referred to as the "Act") due to the COVID-19 pandemic, issues this Decree pursuant to Section 59b of the Act by which it imposes, pursuant to Section 12 para. 2 letter (c) and Section 48 para. 4 letters (a), (d), (e), (r), (t), (u), (w), (x), (y) and (z) of the Act, the following measures in the event of a threat to public health:

Section 1

(1) Pursuant to Section 48 para. 4 letter (t) of the Act, all persons over 12 years of age entering the territory of the Slovak Republic, except for persons under Section 6 letters a), c), d) h) to j), are obliged to register on the website <http://korona.gov.sk/ehranica> immediately upon entering the territory of the Slovak Republic at the latest and submit to the member of the Police Force or an employee of the regional public health office upon request upon entering the territory of the Slovak Republic and during the stay in the territory of the Slovak Republic a document proving the fulfilment of this condition.

(2) The provision of paragraph 1 applies to every entry of a person in the territory of the Slovak Republic, with the exception of:

- a) registration of a person according to paragraph 4 letters (a) to (c) is valid for a period of 6 months,
- b) registration of a person from 12 to 18 years of age is valid until 9 August 2021,
- c) registration of persons according to Section 6 letters (e), (o) and (q) is valid for a period of 1 week,
- d) registration of persons according to Section 7 is valid until 01 September 2021,
- e) registration of persons according to Section 8 letters (a) to (c) is valid for a period of 1 month,

(3) Pursuant to Section 48 para. 4 letter (z), persons entering the territory of the Slovak Republic by air are obliged, upon the entry at the latest, to fill in an electronic form for passenger search in connection with the protection of public health published on the website <https://www.mindop.sk/covid/>.

(4) For the purposes of this Decree, a fully vaccinated person shall be considered:

- a) a person at least 14 days but not more than 12 months after the administration of the second dose of a double-dose COVID-19 vaccine,
- b) a person at least 21 days but not more than 12 months after the administration of the first dose of a single-dose COVID-19 vaccine,
- c) a person at least 14 days but not more than 12 months after the administration of the first dose of a COVID-19 vaccine, if the first dose of COVID-19 vaccination was given within 180 days of overcoming COVID-19.

(5) Persons entering the territory of the Slovak Republic claiming the status of a fully vaccinated person, for the purposes of this Decree, are obliged to submit to a member of the Police Force or an employee of the regional public health authority a document proving this status upon entry into the territory of the Slovak Republic and during the stay in the territory of the Slovak Republic, in Slovak, English or Czech. The person unable to present such document is not considered a fully vaccinated person.

(6) Persons entering the territory of the Slovak Republic under the provisions of Section 6 to 8 are obliged to submit to a member of the Police Force or an employee of the regional public health authority a document proving the fulfilment of the conditions specified in the relevant Section 6 to 8 upon entry into the territory of the Slovak Republic and during the stay in the territory of the Slovak Republic. The person unable to present such document cannot claim an exemption in accordance with the Section 6 to 8.

(7) If this Decree stipulates the obligation to submit a certificate of COVID-19 vaccination or a certificate of negative test for COVID-19, this certificate may be replaced by the EU digital COVID-pass, if issued.

Section 2

Quarantine measures for persons entering the territory of the Slovak Republic

(1) Pursuant to Section 48 para. 4 letter (u) and Section 12 para. 2 letter (c) of the Act, all persons entering the territory of the Slovak Republic from 19 July 2021 from 06:00 a.m. are ordered an isolation in the home environment or quarantine accommodation facility, which ends in case of an asymptomatic course of isolation by completing its 14th day or receiving a negative result of RT-PCR test for COVID-19, where laboratory diagnosis for COVID-19 may be done on the fifth day of isolation at the earliest. In the case of children under the age of twelve, with an asymptomatic course of isolation, their isolation ends at the same time as the obligation of home isolation for persons living in the common household with them.

(2) Pursuant to Section 12 para. 2 letter (f) of the Act, isolation in the home environment is imposed on all persons living in the common household with the persons according to paragraph 1, ending on the day of completion of the home isolation of all persons according to paragraph 1 with whom this person lives in the common household.

Section 3

General exemption from the quarantine measure

- (1) The provision of Section 2 shall not apply to:
- a) fully vaccinated persons,
 - b) persons from 12 to 18 years of age, provided that no person in the common household is covered by the regime under Section 2.

(2) Persons over the 12 years of age, entering the territory of the Slovak Republic by air from countries not listed in Annex 1 are obliged to submit to the member of the Police Force upon request a negative result of the RT-PCR test for COVID-19 disease not older than 72 hours. The exemption according to paragraph 1 shall not apply to a person not able to present the negative RT-PCR test result in accordance with first sentence; this shall not affect exemptions according to Section 6 and 8.

Section 4

Pursuant to Section 51 para. 1 letter (c), all persons under Section 2 are, in the event of the occurrence of clinical symptoms of COVID-19 within 14 days of entry into the territory of the Slovak Republic, obliged to notify this fact immediately by phone or electronically:

- a) to a healthcare provider providing health care in the specialization of general medicine and with whom they have the agreement on the provision of health care concluded,
- b) in the case of children, to a healthcare provider providing health care in the paediatric specialization,
- c) in the case of persons who do not have the healthcare agreement concluded in the territory of the Slovak Republic, to the locally competent doctor of the self-governing region.

Section 5

Pursuant to Section 12 para. 2 letter (f) of the Act, all healthcare providers providing health care in the field of general medicine or paediatrics are ordered to issue to all persons pursuant to Section 2 a certificate of temporary sick leave on the prescribed form due to quarantine for COVID-19, if these persons request it.

Poučenie pre osoby s pozitívnym výsledkom vyšetrenia a osoby žijúce s nimi v spoločnej domácnosti:

Počas obdobia 14 dní od vyšetrenia s pozitívnym výsledkom vyšetrenia na COVID-19 osoba dodržiava:

- izoláciu v domácom alebo inom vhodnom ubytovaní, opatrenia zamerané na obmedzenie fyzického kontaktu, vrátane neprijímania cudzej osoby v obydli, resp. objekte určenom na izoláciu,
- zákaz stretávania sa s inými osobami okrem osôb v spoločnej domácnosti, zákaz cestovania,
- karanténu pre súčasne všetky úzke kontakty s pozitívnym na COVID-19, najmä osoby žijúce v spoločnej domácnosti,
- povinnosť informovať svojho všeobecného lekára o výsledku testu (v prípade dieťaťa všeobecného lekára pre deti a dorast) telefonicky, mailom, SMS a pod.,
- denné sledovanie vlastných príznakov typických pre ochorenie COVID-19 (aspoň jedného z príznakov: kašeľ, dýchavičnosť, horúčka, strata chuti alebo čuchu),
- denné meranie a zaznamenávanie teploty,
- prísnu hygienu rúk a nosenie rúšok,
- všetky opatrenia špecifikované na <https://korona.gov.sk/> časť „Čo mám robiť, keď som COVID-19 pozitívny?“ a „Čo mám robiť, keď som bol v úzkom kontakte s COVID-19 pozitívnou osobou“.

V prípade objavenia sa niektorého z vyššie uvedených príznakov (kašeľ, bolesť hrdla, dýchavičnosť, horúčka) je potrebné telefonicky kontaktovať svojho ošetrojúceho lekára alebo územne príslušný regionálny úrad verejného zdravotníctva a následne sa riadiť ich pokynmi.

Instructions for persons with a positive test result and persons living in the common household with them:

During the period of 14 days from the test with a positive result of the examination for COVID-19, the person shall observe:

- a) isolation at home or in other suitable accommodation, measures aimed at limiting physical contact, including not accepting a foreign person in the dwelling, or in an object intended for isolation,
- b) the prohibition of meeting persons other than those in the common household, prohibition of travel,
- c) quarantine also for all close contacts of the COVID-19 positive person, especially persons living in the common household,
- d) the obligation to inform general practitioner of the result of the test (in the case of a child, the general practitioner for children and adolescents) by telephone, e-mail, SMS, etc.,
- e) daily monitoring of own symptoms typical of COVID-19 (at least one of the following: cough, shortness of breath, fever, loss of taste or smell),
- f) daily temperature measurement and recording,
- g) strict hand hygiene and wearing of face masks,
- h) all measures specified at <https://korona.gov.sk/> in the "What to do if I am COVID-19 positive?" and "What to do if I were in close contact with a COVID-19 positive person?".

If any of the above symptoms (cough, sore throat, shortness of breath, fever) occur, you need to contact your attending physician or the locally relevant regional public health office by telephone and then follow their instructions.
