

3rd International Exhibition “GREEK TOURISM Expo '16” Athens, November 25-27

The exhibition shall have the following focal points:

1. The highest possible improvement of the incoming tourism in Greece. Under the initiative “Come to meet the Greeks”, will participate 120 international buyers from Europe, the Balkans, Asia, Middle East, USA and Canada, covering all tourism sectors, as well as meetings held between all interested parties.
2. The best promotion to enhance the domestic tourism in Greece.

Your participation is the next step for conducting fruitful business in Greece

Exhibitors from all tourism-related sectors will have the chance to meet with the interested parties and provide information about the attractions, natural beauty, special destinations, and sightseeing opportunities throughout Greece.
