

MINISTRY OF FOREIGN AFFAIRS
REPUBLIC OF KOREA

OYC 2020 - 29560

NOTE VERBALE

The Ministry of Foreign Affairs of the Republic of Korea presents its compliments to all the Diplomatic Missions and International Organizations accredited to the Republic of Korea (hereinafter referred to as “Missions”) and has the honor to inform the latter that the Government of the Republic of Korea has decided to temporarily suspend the waiver of Re-Entry Permits for long-term visa holders in an effort to cope effectively with the inflow of COVID-19. This measure will come into effect at 00:00 hours on 1 June 2020 and remain in effect until further notice.

Accordingly, starting from 1 June 2020, all foreigners, excluding holders of A-1 (Diplomatic), A-2 (Official), A-3 (Treaties) and F-4 (Overseas Koreans) Visas, who reside in Korea with long-term visas, shall apply for a Re-Entry Permit through a local immigration office before leaving Korea if they wish to maintain their status and period of stay. Leaving Korea without a Re-Entry Permit will result in cancellation of their Alien Registration in accordance with Article 37 of the Immigration Act. In this case, the foreigner must obtain a new long-term visa to re-enter Korea.

All foreigners who are granted a Re-Entry Permit and wish to re-enter Korea shall undergo a medical examination not earlier than 48 hours prior to the date of their departure for Korea and present a written diagnosis when requested by a transport operator and an immigration officer. Failure to do so may result in re-entry denial. The diagnosis shall be written in English or Korean, signed by a medical examiner and issued by an authorized medical institution. It shall also include the date of examination and the presence or absence of fever, cough, chills, headache, breathing difficulty, muscle pain, and pulmonary symptoms.

However, foreigners who hold an Isolation Exemption Certificate issued by a Korean embassy or consulate are exempted from medical examination and the obligation to submit a written diagnosis.

The Ministry of Foreign Affairs of the Republic of Korea avails itself of this opportunity to renew to all the Diplomatic Missions and International Organizations accredited to the Republic of Korea the assurances of its highest consideration.
